

LSCM Webinar series | the next generation of Smart Logistics

CILTHK partners with Logistics and Supply Chain MultiTech R&D Centre (LSCM) to organise the Online Seminar Series with an aim to providing the audience with a holistic view of the latest development of innovative technologies in Hong Kong. In this seminar series, the speakers will discuss how the rapid advancement of technology is impacting the logistics industry in the next generation. Examples of application cases will be used to illustrate how Internet of Things (IoT) and robotics technologies are deployed to accelerate the development of Smart Logistics and Smart Warehouse, thereby facilitating the Smart City development in Hong Kong.

Both CILTHK members and friends are welcomed to join.

Everyone is welcome to join!
