Smart mobility

CILTHK LIVE Seminar Series 2020-21 aims to promote the excellence in the transport and logistics practice in Hong Kong and taking this opportunity joining other professionals to build up an online knowledge exchange platform to share best practice across the world.

The theme of this series is **'Smart Cities, Smart Mobility'** and is the first of its kind. In this series, FOUR sessions will be held during September 2020 – June 2021 on a quarterly basis. Practitioners and academics in the transport and logistics industry will be invited to share their knowledge, experience and insights on how smart mobility drives the city future and its latest development. **Both CILTHK members and friends are welcome to join.**

Everyone is welcome to join!

Online registration will be open **TWO** months before each session.

Please stay tune to CILTHK website and our upcoming emails for the latest update!
