

Eco Asia Conference

(Tentative Schedule)

Climate Change Framework for Built Environment

Date: 26 October 2023 (Thursday)

Time: 10:30am – 12:30pm

Venue: Seminar Room, Hall 6, AsiaWorld-Expo

Co-organiser: Hong Kong Green Building Council

Event Highlights: The HKGBC has developed a Climate Change Framework for Built Environment to serve as a practical reference tool for the industry and building owners to kick-start or to proceed with their net zero journey. The Framework assists the industry in setting net zero carbon goals, reporting environmental, social and governance achievements, justifying green finance requirements, and disclosing climate risk strategies. As part of the Framework, the HKGBC is launching the “Zero-Carbon-Ready Building Certification Scheme” this September. By adopting the certification scheme, building owners can evaluate the performance of their buildings and set the energy targets.

Government Session

Date: 26 October 2023 (Thursday)

Time: 3:30pm – 4:45pm

Venue: Seminar Room, Hall 6, AsiaWorld-Expo

Event Highlights: Senior government officials across Asia share their latest environmental policies. It also features the “Building a Zero Waste Bay Area” launch ceremony, highlighting GBA’s commitment to carbon neutrality.

C40 Climate Action Seminar (Asian and Oceania Regions)

Date: 27 October 2023 (Friday)

Time: 10am – 12:30pm (Tentative)

Venue: Seminar Room, Hall 6, AsiaWorld-Expo

Event Highlights: The C40 Climate Action Seminar (Asian and Oceania Regions) will bring together the representatives from relevant C40 cities to share with C40 and other cities their experiences in promoting deep decarbonisation, climate-resilient infrastructure and low-carbon transport, as well as the development of green finance to support the climate action.

Evolving ESG Landscape and the Future of Sustainable Finance

Date: 27 October 2023 (Friday)

Time: 2:30pm – 4:30pm

Venue: Seminar Room, Hall 6, AsiaWorld-Expo

Event highlights: Industry leaders in carbon trading, regulations, and ESG fields will share the latest market conditions for green and sustainable finance, and provide insights on the green transformation of business projects or solutions.

The Infinity of Green Tech
