

Social Capital Builder Awards 2020

Social capital is essential for the economic prosperity and sustainable development of a society. It helps build a caring society of mutual trust and solidarity, and enhances mutual support among individuals, families and organisations so that our community can grow from strength to strength.

To accord recognition to individuals and corporates/organisations that have contributed to the development of social capital in Hong Kong, the Community Investment and Inclusion Fund (CIIF) of the Labour and Welfare Bureau has organised the biennial SCB Awards since 2012. The Awards provide an opportunity for various sectors of the community to witness and share the achievements in building social capital in Hong Kong.
