**Control and Preventive Measures of Coronavirus Disease (COVID-19)**

Due to the recent outbreak of the highly transmissible Omicron variant into the community, to protect yourself and others, all CILTHK members and visitors are strongly urged and advised to take the following precautionary measures when visiting CILTHK's office to minimize the risk of contracting and spreading COVID-19 with immediate effect.

**1. Scan venue QR code**

- a. Scan the "LeaveHomeSafe" venue QR code using the "LeaveHomeSafe" mobile app at the entrance of CILTHK's office.
- b. If you are unable to comply with the above (a) requirement, you have to properly fill in the specific form provided as an alternative measure and drop the completed form into the designated sealed box provided. This form will be kept by CILTHK for 31 days for checking by officers of relevant Government Authorities if required.

**2. Check your body temperature before entering the office**

If your measured temperature goes above normal body temperature, DO NOT enter the office, and seek medical advice as soon as possible.

**3. Wear mouth mask properly and at all times when staying in the office**

Properly put on the suitable surgical mask to cover your mouth and nose for protection.

**4. No drinks and food will be provided in the office**

**5. Maintain good personal hygiene**

Sanitize your hands frequently, especially before touching your eyes, nose, and mouth as well as before and after taking off / putting on your mouth mask.

**6. DO NOT visit CILTHK's office when:**

- a. You are feeling unwell or having a fever or influenza-like symptoms. Consult your doctor as soon as possible.
- b. You have been in contact in the past 14 days with any person (including family members) or have visited any place that has confirmed COVID-19 infection.

**7. Take COVID-19 vaccine as far as possible subject to your physical health conditions.**
